Remarks

Welcome home to this beautiful three-bedroom two bath home! It is located on a quiet and very well maintained cul-de-sac in the heart of Cortessa. This charming home will draw you in with its beautiful features both inside and out. The backyard has recently been remodeled and boasts a large paver patio with a built in firepit as well as new artificial turf. All furnishings are available outside of escrow as well! This is a fantastic turn key home! This home has very little usage as it has spent its life as a vacation home exclusively for the owners and is in excellent shape! Very close to shopping, parks and the local schools!
